

ON-THE-JOB MENTORSHIP

PRODUCTION TEAM MEMBER

Operate equipment. Make quality products. Build a career.

FORT SCOTT, KS

Ward-Kraft, Inc.

ROTATING SHIFTS

Monthly rotation among three shifts

STARTING PAY

\$15 per hour and up

THE OPPORTUNITY

Join a family-owned, faith-based print manufacturer with more than 50 years of excellence. Production Team Members operate machinery, produce quality products, and perform routine maintenance while helping the team meet production goals and customer specifications.

WHAT YOU WILL DO

- Operate and adjust production machinery for accuracy and productivity.
- Compare finished products with specifications and job requirements.
- Perform routine maintenance and troubleshoot equipment issues.
- Monitor quality while working toward production goals.
- Work safely with teammates in a climate-controlled facility.

WHAT YOU BRING

- Mechanical aptitude and strong troubleshooting skills.
- Attention to detail and the ability to verify product specifications.
- Ability to fine-tune machine settings and learn quickly.
- A self-starting, team-focused approach to solving problems.

WHY JOIN WARD-KRAFT?

Pay for Performance | Shift premiums | Saturday overtime opportunities
Climate-controlled facility | Mentorship | Career growth
