

Ward-Kraft Job Posting

Career Opportunity: On the Job Mentorship Production Team Member

Production Team Member

Ward-Kraft, Inc. — Over 50 Years of Excellence

Ward-Kraft, Inc. is a premier, family-owned, faith-based print manufacturer with a rich 50+year legacy. As an industry leader in innovation, our culture is built on teamwork, integrity, excellence, and faith. We don't just hire employees; we build careers. We are looking for motivated individuals with passion, capability, and drive to excel and grow with us.

Are you a self-starter looking for a stable career with high growth potential? Ward-Kraft is seeking highly motivated, career-focused Production Team Members. In this role, you will operate cutting-edge machinery, produce superior-quality products, and perform routine maintenance. You will play a vital part in hitting our high-velocity production goals while maintaining the pristine quality standards our customers expect.

Key Qualifications:

- **Technical Aptitude:** Good mechanical ability with superior troubleshooting and machine maintenance skills
- **Analytical Skills:** Specification to product reconciliation-the precise industry term for verifying that a finished product matches its ordered design
- **Work Ethic:** Detail-oriented self-starter who learns quickly and thrives on solving problems oriented
- **Tech-Savvy:** Ability to fine tune settings for accuracy and productivity

Schedule and Compensation

- **Shift Flexibility:** Three monthly rotating shifts (with shift premiums applied)
- **Earnings Potential:** Rewarding "Pay for Performance" structure & opportunities for Saturday overtime.
- **Work Environment:** Safe, team-oriented, & fully **Climate-controlled** production facilities

Why Join Ward-Kraft?

The ideal candidate is a goal-oriented team player who brings a strong work ethic and handles multitasking with ease. We actively invest in our people—this position offers clear paths for upward mobility and professional growth within the company.
